Additional Visa Processing Information

- **Missionary/Clergy/Church affiliated travelers:** VP2Go has observed that the processing time for travelers who are affiliated with a church/religious organization takes longer than the above processing time. There have been instances where the Indian Consulate has taken 2-3 months to issue a visa. These visas are often of a short validity (1-6 months/single entry) as well. Please plan accordingly as the Indian consulate CAN take longer if they wish.
- **Former Indian Nationals must provide their Renunciation Certificate** along with their visa requirements. If your certificate has been lost, or you never obtained a certificate, you must work directly with the CKGS office of your jurisdiction directly.
- **Pakistan passport holders/Persons of Pakistan origin:** Travelers who hold a Pakistan passport, or are children and/or grandchildren of current or former Pakistan nationals, must apply in-person at CKGS office of your jurisdiction.
- **Chinese Passport Numbers Starting With The letter "E":** Those who hold a Chinese passport whose passport number begins with the letter "E" cannot apply for a regular Indian Visa in the United States. The Indian consulate requires you to apply for your Indian visa in China. Alternately, you may apply for an eVisa.
